Dear JRB Families,

This year the PTA will be starting a seed Fundraiser from High Mowing Organic Seed Company. The Fundraiser will take place starting Monday February 7th to Monday February 28th (after returning from Winter Break). The High Mowing Seeds are 100% certified organic and non-GMO. All seeds come in individual eco-friendly packets that include detailed planting instructions. Seeds can be picked up Elementary School mid to late March. More information will be given out when seeds arrive.

PLEASE NOTE that while High Mowing Seed Company will do their best to provide a wide variety selection some products may not be available. If this should happen, they will provide a substitution similar to the variety you have chosen. If ordering online or have any questions regarding items back ordered or out of stock, please check out JRB PTA Facebook page. You can also find the information at these websites:

This is a great opportunity for students along with their families to enjoy the art of gardening. As gardening has many benefits and supports positive wellbeing. We hope you will enjoy this Fundraiser. Payments can be either cash or check. Please make checks payable to JRB PTA.
